The MQ82S is a dual 18" passive subwoofer within Marquis Bar series. It is especially designed for the installation in various indoor applications and is tuned to meet the needs of today's dance music. MQ82S has two dedicated engineered 18" woofers with optimally-sized and tuned vented enclosure designed to supplement and extend the low-frequency output of full-range systems in a variety of applications.

The loudspeaker enclosure is constructed with 18mm high quality Finland birch. Its unique internal bracing design helps eliminating cabinet resonance at extreme sound pressure levels. The MQ82S is finished in high-quality black Duraflex™ paint.
